

Xtra'Liss pro

Detangling spray

Powerful detangler with Rice Protein and Oat extract to effectively fight against knots and felting of the coat.

Paraben-free formula, 95% organic and natural ingredients.

Directions for use:

Shake before use, spray directly onto the knots, help the product to penetrate using your fingers, leave for 2 minutes, brush back and then brush normally to detangle. Can be used before bathing and even on wet coats before drying.

Composition:

Excipient, rice protein, oat extract*, conditioner, perfume, preservative.

*ingredients from organic farming.
